Section A: Store Purchase Rules & Procurement Planning

Question A01: Office ko ₹50,000 ka printer cartridge purchase karna hai. Chhattisgarh Store Purchase Rules ke under direct purchase allowed hai kya?

Expected Actor Role: **government_officer**

■ Local Model (Latency: 68768 ms | Sources: 0):

This information is not available in the uploaded documents. Please refer to the official Chhattisgarh Store Purchase Rules (2002) or contact your administrative department for clarification.

■ Sarvam 30B Model (Latency: 11909 ms | Tokens: 1229):

Direct Purchase Allowed

Haan, ₹50,000 ka printer cartridge purchase direct ho sakta hai. Yeh **Chhattisgarh Store Purchase Rules (CG SPR) 2002, Rule 4.3.1** ke under aata hai.

Rule 4.3.1 ke according, **₹50,000 tak** ka procurement **Single Tender System** se kiya jaata hai, jo ek direct purchase method hai. Iske liye kisi advertisement ya competitive bidding ki zaroorat nahi hoti.

Question A02: What is the maximum duration for which a short-term tender notice of 2 days can be issued under CG procurement regulations?

Expected Actor Role: **government_officer**

■ Local Model (Latency: 50051 ms | Sources: 0):

Short-Term Tender Notice Duration Guidelines

The document does not specify a maximum duration for issuing a short-term tender notice of 2 days. Please refer to the official Chhattisgarh Store Purchase Rules (2002) or contact your administrative department for clarification.

Follow-up Questions:

1. What are the specific guidelines for issuing short-term tenders under CG procurement regulations?
2. Are there any exceptions or special provisions for issuing tender notices with shorter durations?

■ Sarvam 30B Model (Latency: 13813 ms | Tokens: 3565):

Maximum Duration for Tender Notice Issuance

The CG SPR 2002 does not specify a maximum duration for issuing a tender notice. The 2-day duration is a procedural parameter set by the department. The rules primarily govern the response period for tenders submitted after the notice is issued.

* **Rule Citation:** CG SPR 2002.

* **Key Thresholds:** The duration of the notice (e.g., 2 days) is determined by the procuring department. The response period for tenders, governed by Rule 4.5, would be 15 days for a Limited Tender (up to \$3,00,000) or 21/30 days for an Open Tender.

Question A04: Under what circumstances can a department issue a limited tender without publishing a Notice Inviting Tender (NIT) in local newspapers?

Expected Actor Role: **government_officer**

Rule 3.1.3 and 3.4 Guidelines for Procurement

- **Local MSEs (Local MSEs)** **Price Preference** **GFR**
- **1** **2** **4**
- **(EMD)** **(bid security)**

Follow-up Questions:

1. What are the specific guidelines for issuing short-term tenders under CG procurement regulations?
2. How can a department issue a limited tender without publishing a Notice Inviting Tender (NIT) in local newspapers?

A department can issue a Limited Tender without publishing a Notice Inviting Tender (NIT) in local newspapers under the following circumstances:

* When the procurement value is between ■50,001 and ■3,00,000.

* This is governed by **CG SPR Rule 4.3.2 (Limited Tender System)**.

The rules for Limited Tenders do not mandate the publication of an NIT in local newspapers. This requirement is specific to the Open Tender System (Rule 4.3.3), which has different thresholds and mandatory newspaper publication norms.

Question A05: Hume ₹15 lakh ka networking project initiate karna hai, isme Limited Tender works rule apply hoga ya Goods procurement rule?

Expected Actor Role: **government officer**

This is a machine translation. Always refer to the official Chhattisgarh Store Purchase Rules for accurate interpretation.

- Kam ki estimated cost ka minimum bid security value 2% hai.
- Yadi aapko koi samasya aati hai, toh kripya helpdesk se sampark karein.
- Tip: Aapka ₹15 lakh project ke liye Open Tender method apply hota hai CG State Rules ke hisab se.

Open Tender System apply hoga

■15 lakh ke networking project ke live:

- **CG SPR Rule 4.3.3:** Open Tender mandatory hai (₹3 lakh se upar)

Limited Tender (₹50,001-₹3 lakh) aur L1 Comparison (₹25,001-₹5 lakh) rules yahan apply nahi honge.

Direct purchase from a cooperative society or a public sector undertaking is not the standard procedure under the Chhattisgarh Store Purchase Rules (CG SPR) 2002. The rules prioritize transparency through tender processes.

* **Mandatory Process for Higher Values:** For any purchase above ₪50,000, a mandatory Proprietary Article Certificate (PAC) and a 30-day public notice on the website/newspapers are required. A tender process (Limited or Open) must be followed.

Therefore, while a department can make a direct purchase up to \$50,000, it cannot bypass the tender process for higher-value items, regardless of the supplier's type.

Question A08: Humare office ko aane wale financial year ke liye annual maintenance services plan karni hai. Estimated budget kaise calculate karein?

Expected Actor Role: **government_officer**

■ **Local Model (Latency: 59238 ms | Sources: 0):**

- Kam ki estimated cost ka minimum bid security value 2% hai.
- Yadi aapko koi samasya aati hai, toh kripya helpdesk se sampark karein.
- Procurement mode/threshold type ke hisab se CG State Rules aur Central GFR (GeM) Rules ko follow karna hoga. Limited Tender **₹50,001 to ₹3,00,000** ke beech ke procurements ke liye applicable hai, Open Tender **₹3,00,000** se zyada ke procurements ke liye required hai.
- Newspaper Publicity **₹3,00,001-₹5,00,000** ke liye ek widely circulated local newspaper mein publicity karni hogi, **₹5,00,001-₹10,00,000** ke liye do widely circulated state-level newspapers mein advertise karna hoga, **₹10,01,001-₹20,00,000** ke liye do state-level aur ek national-level newspaper mein advertise karna hoga, **₹20,00,001** se zyada ke liye do state-level aur do national-level newspapers mein advertise karna hoga.
- Emergency Procurement head of department se emergency justification certificate ke saath direct purchase permitted hai.
- Non-Consulting Services ka definition Rule 197 mein hai jismein maintenance, security, facility management, etc. shaamil hain.
- Contract Monitoring ko Ministry/Department ko poore process mein involve rehna chahiye (Rule 195).
- Design Competition symbols/logos ke liye public competition transparent aur fair hona chahiye (Rule 196).

Tip: Apne annual maintenance services budget ko accurately estimate karne ke liye, apne estimated annual purchase amount ke basis par procurement method determine karne ke liye CG State Rules ke threshold ranges ko consider karein.

■ Sarvam 30B Model (Latency: 2039 ms | Tokens: 506):

Annual Maintenance Services Budget Calculation

Annual maintenance services ke liye budget calculate karne ke liye, in factors ko consider karein:

Key Calculation Factors:

- **Current Asset Condition:** Existing equipment/infrastructure ki age aur condition assess karein
- **Service Frequency:** Quarterly, semi-annual, ya annual maintenance requirements
- **Service Provider Rates:** Market rates compare karein (CG SPR ke under, ₹50,000 se upar ke contracts ke liye PAC required hai)
- **Scope of Services:** Basic vs. comprehensive maintenance packages

Budget Formula:

Estimated Budget = (Number of Assets × Service Rate per Asset) + Contingency (10-15%)

CG SPR Guidelines:

- Agar total cost ₹50,000 se zyada hai, toh PAC mandatory hai
- ₹3,00,000 se upar ke contracts ke liye, open tender process follow karein
- ₹5,00,000 se upar ke liye, GeM L1 comparison consider karein

Pro Tip: Last year ke actual maintenance expenses review karein aur inflation/price changes ke liye 5-10% add karein.

State-Level Procurement Rules in Chhattisgarh

No, GFR Rule 144(xi) does not directly apply to state-level sub-contracts in Chhattisgarh. The primary authority for state procurement is the Chhattisgarh Store Purchase Rules (CG SPR) 2002, which takes precedence over central rules.

- * **Primary Authority:** For all state-level procurement, including sub-contracts, the CG SPR 2002 is the binding rule.
- * **Central vs. State:** GFR 2017 is a secondary reference. State-specific rules (CG SPR) override central rules for state departments.
- * **Application:** Therefore, any sub-contracting in Chhattisgarh must follow the procedures and restrictions outlined in the CG SPR 2002, not GFR Rule 144(xi).

Question B02: Humare project ka administrative approval toh mil gaya hai, par actual purchase se pehle final financial sanction kis authority se leni chahiye?

Expected Actor Role: **government_officer**

■ **Local Model (Latency: 41934 ms | Sources: 0):**

- Final financial sanction ke liye Finance Department se written consent (approval) lena hoga.
- Iske liye concerned administrative department dwara Finance Department ko application submit karna hoga.

Follow-up Questions:

1. Purchase value kitne tak ka hai? GeM portal par available item hai ya nahi?
2. Final financial sanction ke liye kya procedure follow kiya jata hai?

References: Rule 3.1.1, Rule 4.3.3(2), Rule 4.7(■)

■ Sarvam 30B Model (Latency: 2637 ms | Tokens: 512):

Final Financial Sanction Authority:

Final financial sanction ke liye **competent financial authority** (usually departmental head ya finance department) se approval lena zaroori hai.

Key Points:

- **Single Tender:** PAC required, lekin final sanction department head se
- **Limited Tender:** Minimum 3 suppliers se quotes, final sanction department head se
- **Open Tender:** Mandatory above █3,00,000, final sanction department head/finance authority se
- **GeM:** Direct purchase up to █25,000 (department head), L1 comparison █25,001-5,00,000 (department head), bidding above █5,00,000 (competent authority)

CG SPR Rule 4.3.x के according, final financial sanction procurement system के basis पर appropriate authority से लेना पड़ता है।

* **Threshold:** A PAC is required for procurement above **■50,000.**

* **Validity Period:** The rules do not specify a validity period for the PAC. Instead, they mandate a **30-day public notice** on the website or in newspapers for any claims or objections regarding the PAC.

Question B07: What are the CVC guidelines on the validity and extension of bank guarantees submitted as performance security?

Expected Actor Role: **government_officer**

■ Local Model (Latency: 6893 ms | Sources: 0):

This information is not available in the uploaded documents.

■■ Sarvam 30B Model (Latency: 6262 ms | Tokens: 1707):

CVC Guidelines on Bank Guarantees

CVC guidelines are not part of the Chhattisgarh-specific procurement framework (CG SPR 2002). My knowledge is limited to CG SPR, GFR, GeM, and CG portal procedures.

For performance security like bank guarantees, standard practice is to require them for the contract period plus a defect liability period (typically 6-12 months). Extensions are usually based on mutual agreement and contract terms, not a fixed CVC rule.

For official CVC guidelines, refer to the Central Vigilance Commission's website.

Question B08: Single tender invite karne par agar sirf wahi purana vendor response kare, to kya uski rate direct accept kar sakte hain?

Expected Actor Role: **government_officer**

■ Local Model (Latency: 8477 ms | Sources: 0):

This information is not available in the uploaded documents.

■■ Sarvam 30B Model (Latency: 7979 ms | Tokens: 1584):

Nahi, single tender mein sirf ek vendor ke response par rate directly accept nahi kiya ja sakta. Yeh process CG SPR 2002 ke Rule 4.3.1 ke under aata hai.

Agar sirf ek hi vendor respond karta hai, to uske rate ko consider kiya jaata hai, lekin final acceptance se pehle mandatory 30-day public notice dena zaroori hai. Yeh notice website ya newspapers mein publish karna hota hai taaki koi bhi claim ya objection aa sake. Rate tabhi accept hota hai jab is period mein koi valid objection na mile.

Question B10: Does GFR allow purchase of goods through a search on GeM using the "Custom Bid" feature when standard specifications do not match?

For specific state-level procedures, the Chhattisgarh Store Purchase Rules (CG SPR) 2002 would be the primary authority.

Question C01: Specs me "high-quality RAM" ya "fast processor" jaise ambiguous terms use karne par CVC guidelines kya kehti hain?

Chunki CG Store Purchase Rules (CG SPR) 2002 procurement process par focus karte hain, isliye yeh specification drafting ko detail mein cover nahi karta. Isliye, CVC ke objectivity ke principle ko follow kiya jaata hai. Departments ko aise terms ko specific technical parameters ke saath define karna chahiye (e.g., "RAM with a minimum speed of 3200 MHz and 16GB capacity").

Question C03: Can we require the bidder to have a local service center in Chhattisgarh to qualify for the technical evaluation?

Expected Actor Role: government_officer

Local Model (Latency: 24731 ms | Sources: 0):

Rule 189 Evaluation of Technical Bids Guidelines

- Technical bids should be analyzed and evaluated by a Consultancy Evaluation Committee (CEC) constituted by the Ministry or Department.
- The CEC shall record in detail the reasons for acceptance or rejection of the technical proposals analyzed and evaluated by it.

Follow-up Questions:

1. What are the key steps involved in evaluating financial bids after technical qualification under Rule 190?
2. Can we use Quality and Cost Based Selection (QCBS) as a method for selecting consultants under Rule 192?

Sarvam 30B Model (Latency: 6653 ms | Tokens: 1454):

Technical Evaluation Criteria

Yes, you can require a local service center, but it must be part of the technical specifications.

* **Primary Authority:** This is governed by the **Chhattisgarh Store Purchase Rules (CG SPR) 2002**.

* **Rule Application:** While the CG SPR does not explicitly list a local service center as a mandatory criterion, you can include it as part of the "essential qualifications" or "technical specifications" for the item in the tender document.

* **Justification:** This requirement must be a justified criterion based on the specific needs of the item (e.g., for maintenance, calibration, or after-sales service). It cannot be an arbitrary condition.

Question C09: Under GFR rules, are startup entities registered with DPIIT exempted from the "prior experience" criteria if they meet quality specifications?

Expected Actor Role: **government_officer**

■ Local Model (Latency: 8541 ms | Sources: 0):

This information is not available in the uploaded documents.

■■ Sarvam 30B Model (Latency: 27270 ms | Tokens: 2330):

No, GFR 2017 does not provide a specific, blanket exemption for DPIIT-registered startups from the "prior experience" criterion.

The procurement criteria are governed by GFR 2017, Rule 154 (Without Quotation) and Rule 155 (Local Purchase Committee), which are based on the value of the procurement, not the vendor's registration status.

A DPIIT-registered startup meeting quality specifications could be considered for procurement under simplified procedures (e.g., without quotation) if the procurement value is within the limits specified in these rules (up to ₹25,000). The final decision to waive prior experience would rest with the procuring entity based on the specific circumstances.

Question C10: Department laptop specification me screen resolution exact 1920x1080 px likh sakta hai ya ranges dena zaroori hai?

Expected Actor Role: **government_officer**

■ Local Model (Latency: 41111 ms | Sources: 0):

Department Laptop Specification Guidelines

- Screen resolution ka exact value (████ 1920x1080) specify karne ke liye nahi, range bhi accept kiya jata hai.
- Technical specifications mein exact values ya ranges dono hi acceptable hain.

Follow-up Questions:

1. Department laptop purchase ke liye GeM par kaise direct procurement hota hai?

References: Rule 162, Rule 166, Rule 4.3.1(b)

Exact specification allowed hai, ranges zaroori nahi.

- Clear requirement hoti hai
- Evaluation mein confusion nahi hota
- Technical team ko exact pata chal jata hai

- Technical specifications mein exact values allowed hain
- Range tabhi zaroori hai jab multiple options consider karne hain
- 1920x1080 px standard resolution hai, isliye exact mention kar sakte hain

- 1920x1080 px (Full HD) likho
- Minimum requirement specify karo (e.g., "Minimum 1920x1080 px")
- Range tabhi do jab multiple resolutions acceptable hain

Section D: Bid Evaluation, Negotiations (L1) & Contract Award

Expected Actor Role: **government_officer**

L1 Bidder Withdrawal and Contract Award Guidelines

- ### Follow-up Questions:

- References:** Rule 3.1.1, Rule 4.3.2 (Limited Tender), Rule 4.3.3 (Open Tender)

L1 Bidder Backs Out - Procurement Procedure

While the specific scenario is not detailed in the provided CG SPR 2002 excerpts, the core principle of fair and transparent procurement must be followed. The correct procedure is to re-tender the process. The L2 bidder can be considered in the new tender, but the contract must be awarded based on the new evaluation, not automatically at the old L1 rate. This ensures fairness to all original bidders.

Question D02: Technical comparative statement verify karte waqt agar kisi point par contradiction ho, to evaluation committee kya step legi?

Expected Actor Role: government_officer

■ Local Model (Latency: 71577 ms | Sources: 0):

- Agar technical comparative statement mein kisi point par conflict milta hai, toh evaluation committee dwara niche diye gaye steps follow kiye jayenge.
- Pehle se evaluation committee dwara disputed point par clarification leni hogi.

Process for L1 Bid from Joint Venture/Consortium

If the lowest bid (L1) is from a joint venture or consortium, it is treated as a single bidder for the purpose of L1 comparison. This process is governed by the principles of L1 comparison under the Chhattisgarh Store Purchase Rules (CG SPR) 2002.

Key Steps:

- * The joint venture or consortium must be a legally registered entity.
- * The L1 bid is then compared with other L1 bids based on the specified technical and financial criteria.
- * The lowest technically acceptable L1 bid, whether from an individual firm or a joint venture, is selected for the contract.

Circumstances for Amending a Signed Purchase Order

Neither the Chhattisgarh Store Purchase Rules (CG SPR) 2002 nor the General Financial Rules (GFR) 2017 provide a specific, detailed clause for amending a signed purchase order. However, amendments are permitted under the following general circumstances, guided by principles of financial propriety and transparency:

- * **Mutual Agreement:** If both the buyer (department) and the supplier mutually agree to the change.
- * **Correction of Errors:** To correct any typographical or clerical errors in the original order.
- * **Change in Requirements:** If the requirements change without affecting the cost, quality, or delivery schedule.

Key Requirements:

- * **Proper Documentation:** Any amendment must be formally documented through a written amendment to the original purchase order.
- * **No Financial Loss:** The amendment must not result in any financial disadvantage to the state exchequer.
- * **Re-approval:** If the amendment affects the cost, technical specifications, or delivery timeline, it may require re-approval from the competent authority as per the original procurement rules.

Question D08: Agar multiple bidders ke quotes exact same ho (Tied L1), to tender award karne ke liye tie-breaker rule kya hai?

Tie-Breaker Rule for Tied L1 Bids

- Agar multiple bidders ke quotes ek hi hain, toh iske liye tie-breaker rule apply hota hai.
- Tie-breaker rule ka matlab yeh hai ki jab sabse chhote bidder ek hi quote submit karte hain, toh iske liye aur koi parameter consider kiya jata hai jisme se actual winner decide hota hai.

Question E03: How long does the portal take to automatically initiate the online EMD refund for bidders who are rejected at the technical round?

Expected Actor Role: **vendor**

■ Local Model (Latency: 34467 ms | Sources: 0):

Online EMD Refund Process Timing

- **For Unsuccessful Bidders:** The Operator/Tender Owner initiates the EMD refund process after Technical/Price evaluation is finalized. The file is forwarded to the Department Approver, and once approved, the system sends automated instructions to the bank to credit the EMD back to the bidders' accounts within 1-2 days.

Follow-up Questions:

- What are the steps involved in initiating the online EMD refund process for unsuccessful bidders on the GeM portal?
- How long does it take for the portal to automatically initiate the online EMD refund after approval from the Department Approver?

IE Mode Requirement for Dynamic Links

IE Mode is required because many modern web applications and dynamic links are built using technologies that are not fully compatible with Edge's Chromium-based engine. To ensure these applications function correctly, they run in an isolated Internet Explorer (IE) rendering engine within Edge.

Key Reasons:

- **Legacy Compatibility:** Dynamic links often rely on older web standards or ActiveX controls that Edge's standard mode doesn't support.
- **Application Functionality:** Without IE Mode, these applications may fail to load, display incorrectly, or produce errors.
- **Security Isolation:** Running in IE Mode provides a separate, sandboxed environment for potentially risky web content.

Rule Reference:

This requirement is based on Microsoft's technical documentation for Edge, not specific to Chhattisgarh's procurement rules. For procurement-related queries, please refer to the CG SPR 2002 guidelines.

EMD Submission on CHiPS Portal

The provided rules (CG SPR 2002 and GFR 2017) do not specify the procedure for submitting EMD via NEFT/RTGS challan on the CHiPS portal. This is a procedural matter governed by the portal's specific design and departmental instructions.

Typically, the process involves:

1. Selecting the EMD payment option on the portal.
2. Generating a challan for NEFT/RTGS.
3. Making the payment and uploading the challan details (like UTR number) in the portal.

For the exact procedure, refer to the CHiPS portal's user manual or contact the department's procurement cell.
